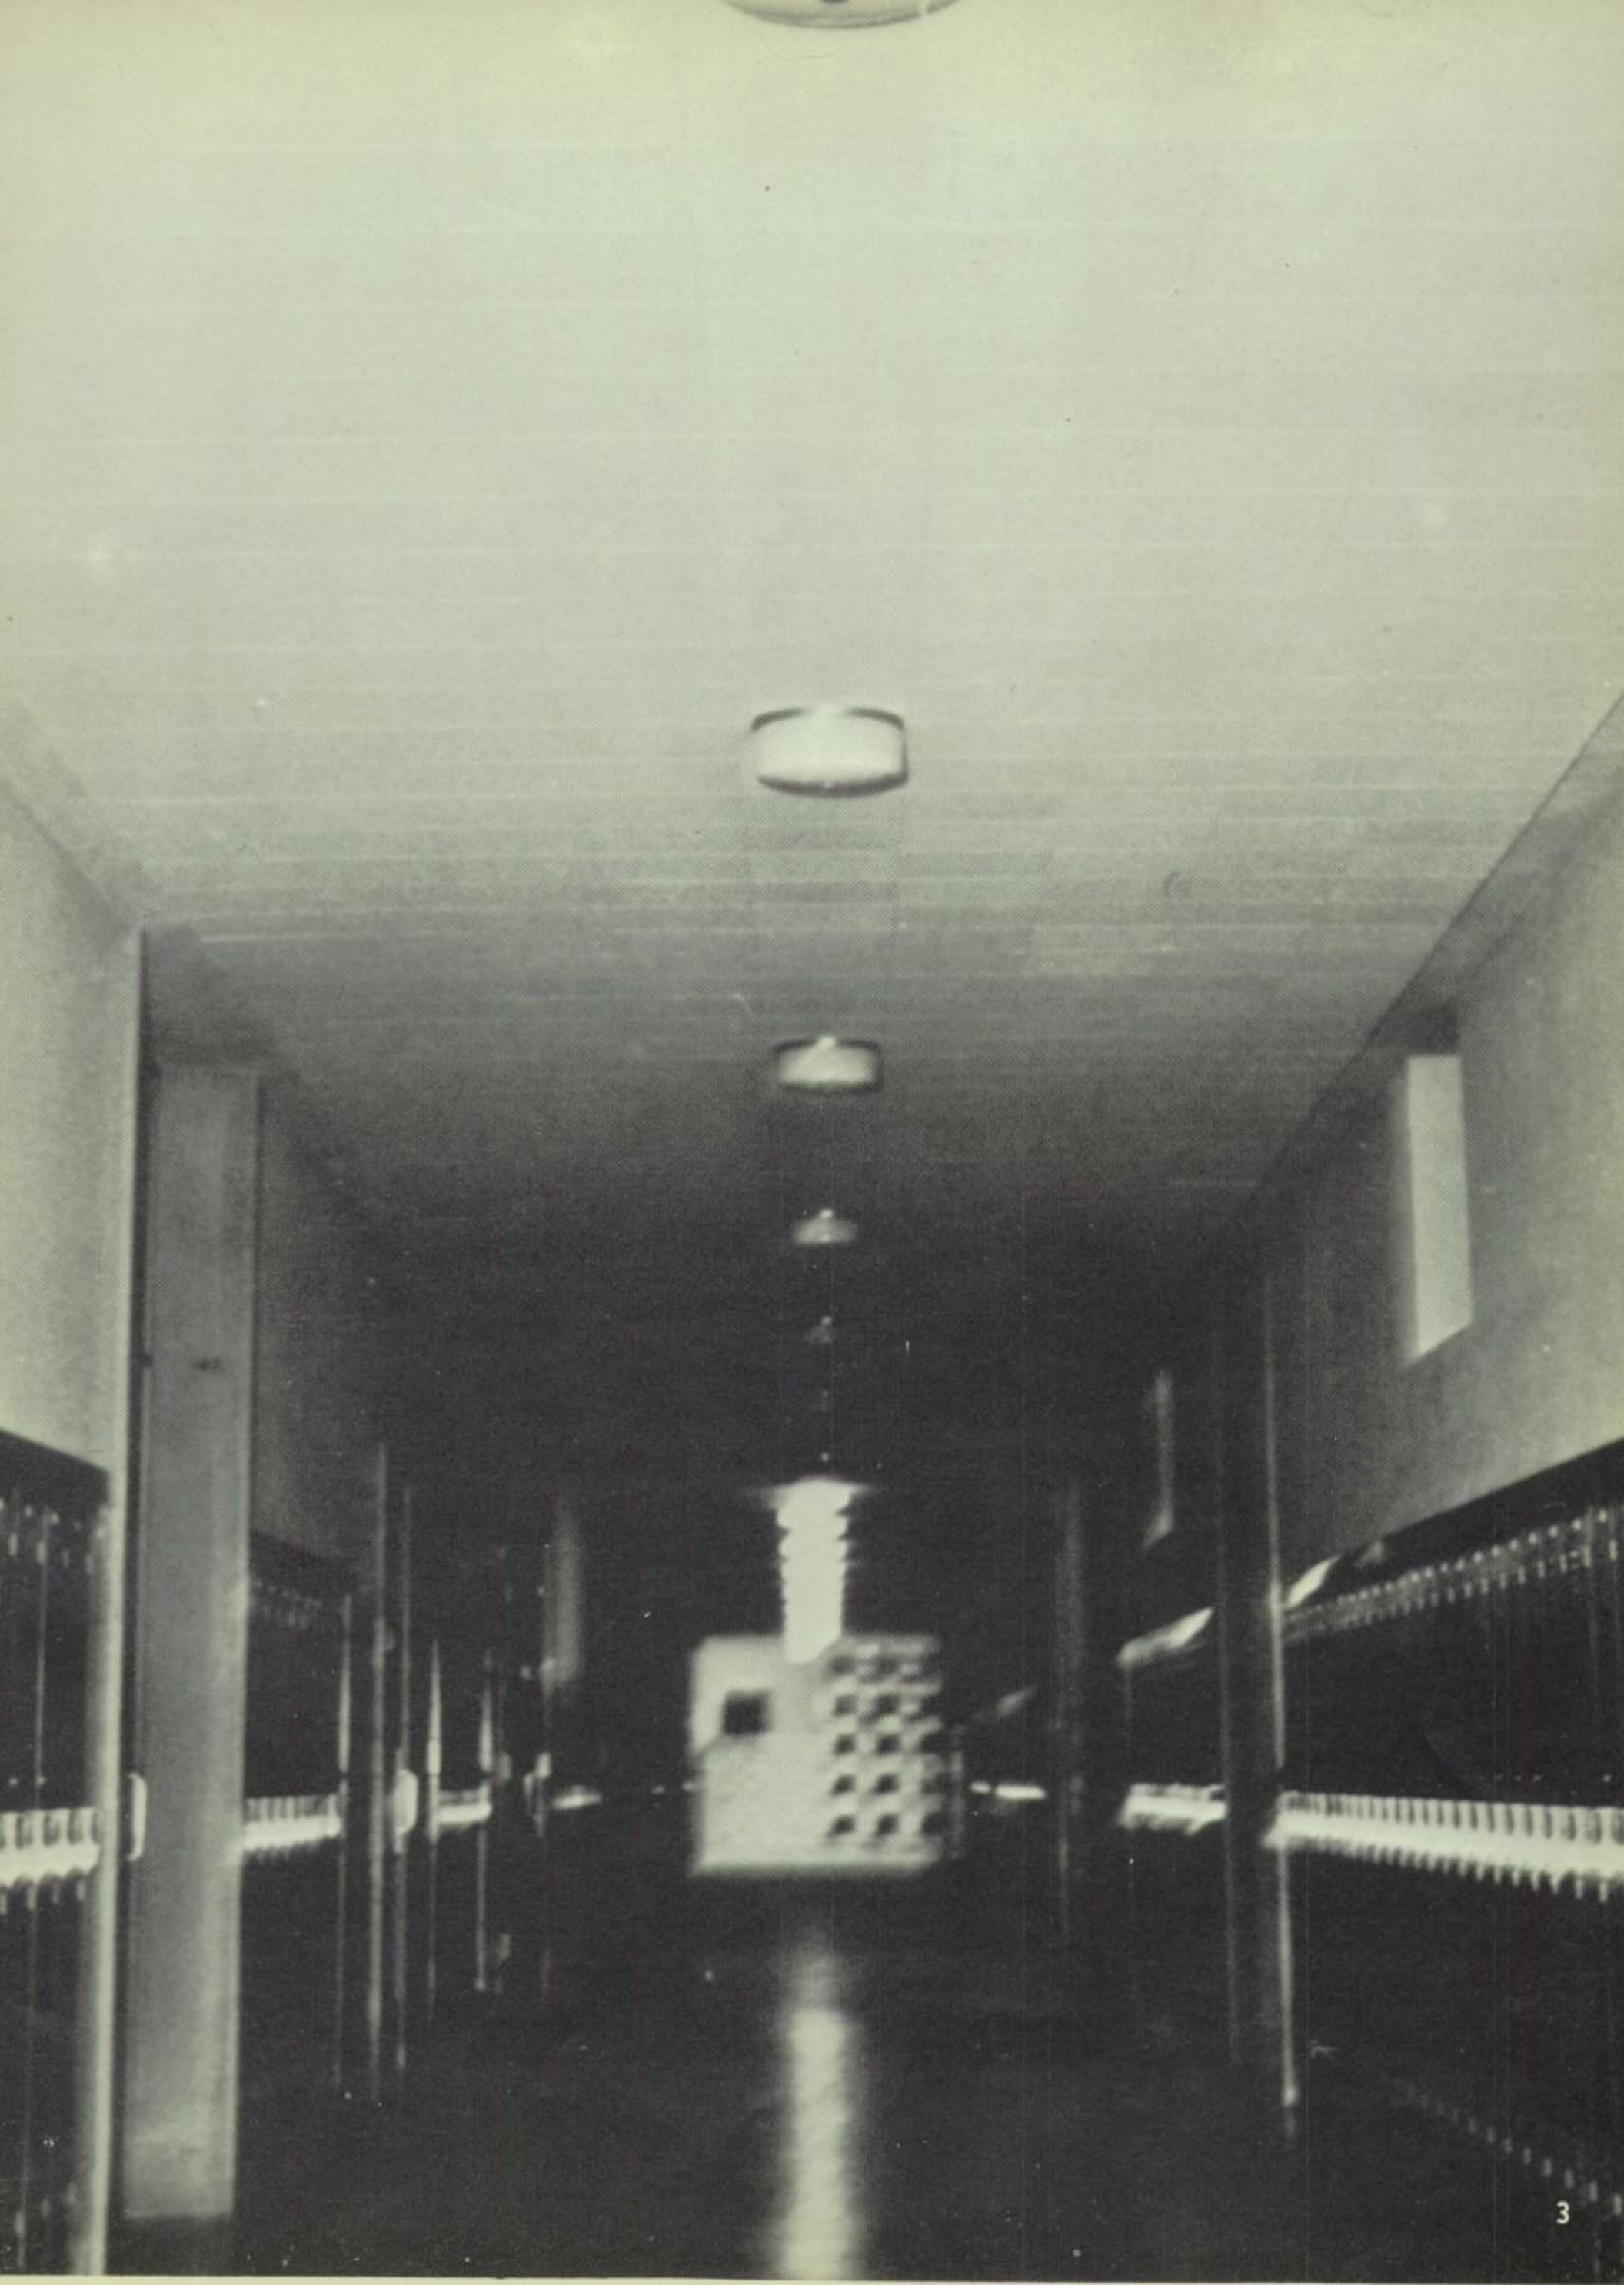
Senior Memories



For nine months we have attended Bryan Adams High School. Very few of us would admit that we love the Big Green One, but we all do. We complained about our teachers, rules, and leaders at times. But our complaints didn't last long, for we were always allowed to live our lives pretty much as we saw fit.

Our school was much more than an educational institution, which made it great. Every day thirty-three hundred different people walked through the halls—All these people to meet, to work with, to get to know and appreciate. Sometimes we fought, but more often we just laughed, learned, and lived. And our life was good.

The el Conquistador Staff fervently hopes that the 1966 el Conquistador truly reflects the good life at B. A.

Dedication:

The 1966 el Conquistador is dedicated with pride and admiration to

Mrs. Frances Coker

Mrs. Coker is known for her pleasing personality and winning smile. Mrs. Coker has taught at Bryan Adams for six years. She has taught homemaking and sponsored the annual for the past three years, and taught Senior English for three years. Mrs. Coker also teaches English at the University of Dallas.

Mrs. Coker attends White Rock Methodist Church where she has sponsored youth trips around the U.S. She also taught Sunday School for two years.

We are proud to have Mrs. Coker as a part of Bryan Adams.

The book is at the publishers.

Now, Craig, the page count has to be done today.

Deadline tomorrow.

Pep Assemblie
Succes

The Kimball Pep Assembly headed the 1965 football season with spirit and color. On September 10, the Cougar finally caught up with the fugitive, Richard Kimball.

He's so, so suave.

The Lone Cougar rides again.

The Garland Pep Assembly, held on September 17, featured the Lone Cougar as he saved Matt Cowsar from the Garland Kid, hailed as best in the state for two years.

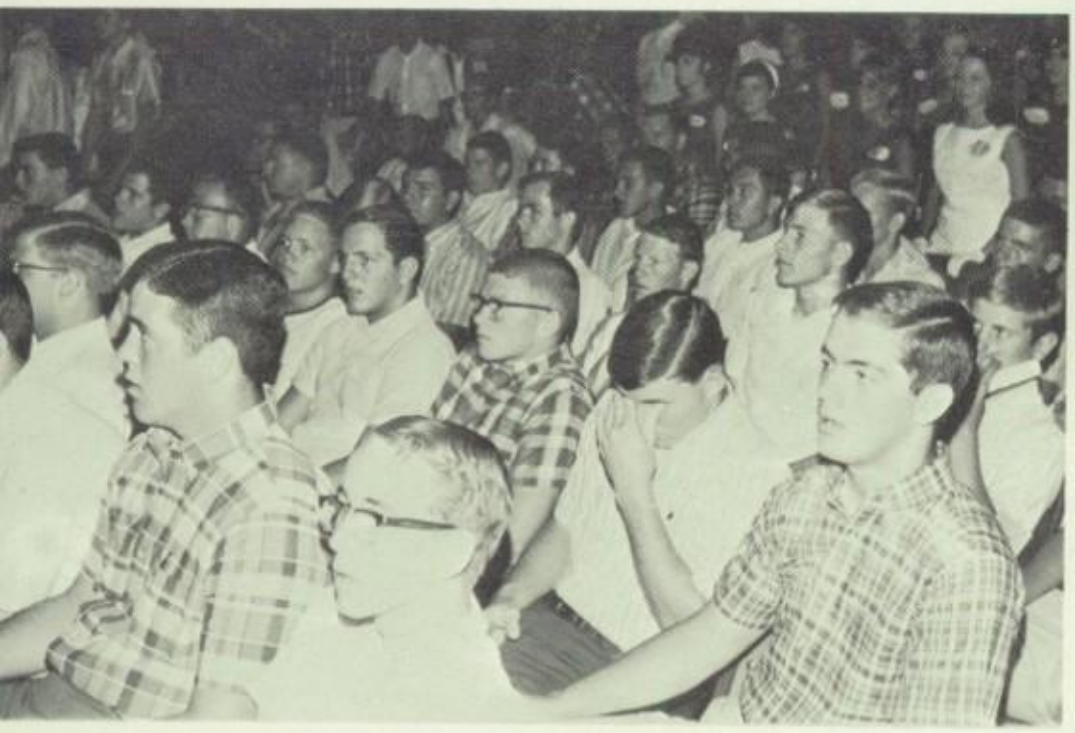
Veronica and chemistry major, Doug Dossett.

Tarzan and his faithful wife, Jane, were leading the Cougar team in search of the dreaded Golden Bear, when Super Cougar, cleverly disguised as press agent, Kent Clark, came to save the day in the S.O.C. Assembly, September 24.

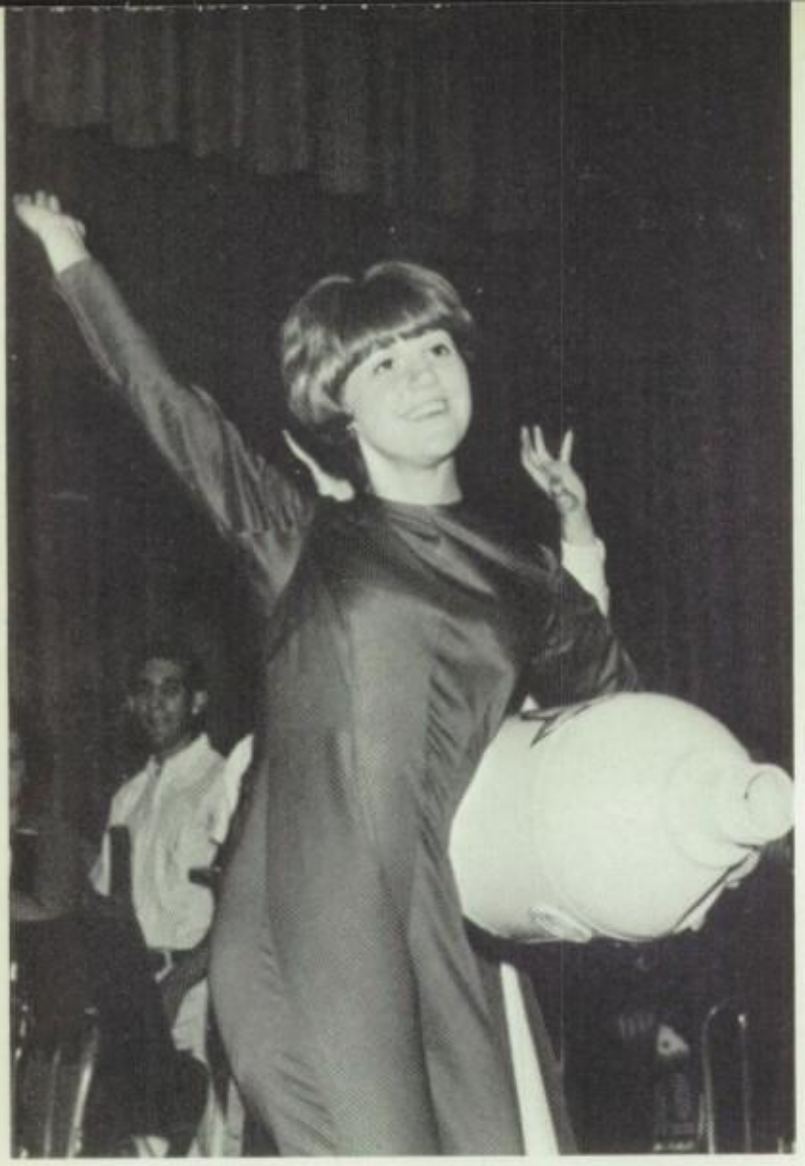
'tain't Batman!

B. A. was honored by a visit from those tough-looking Sunset cheerleaders (Bobby Bassett, Bob Chereck, Boo Courage, Doug Dossett, Chris Frederickson, Nibs Gourley, Ronnie Green, Brent Parrott, Mark Tunstall, Jumbo Wright) in the Sunset Assembly, October 1.



The team seemed to be all fired up for the S.O.C. game.

Looks pretty heavy.



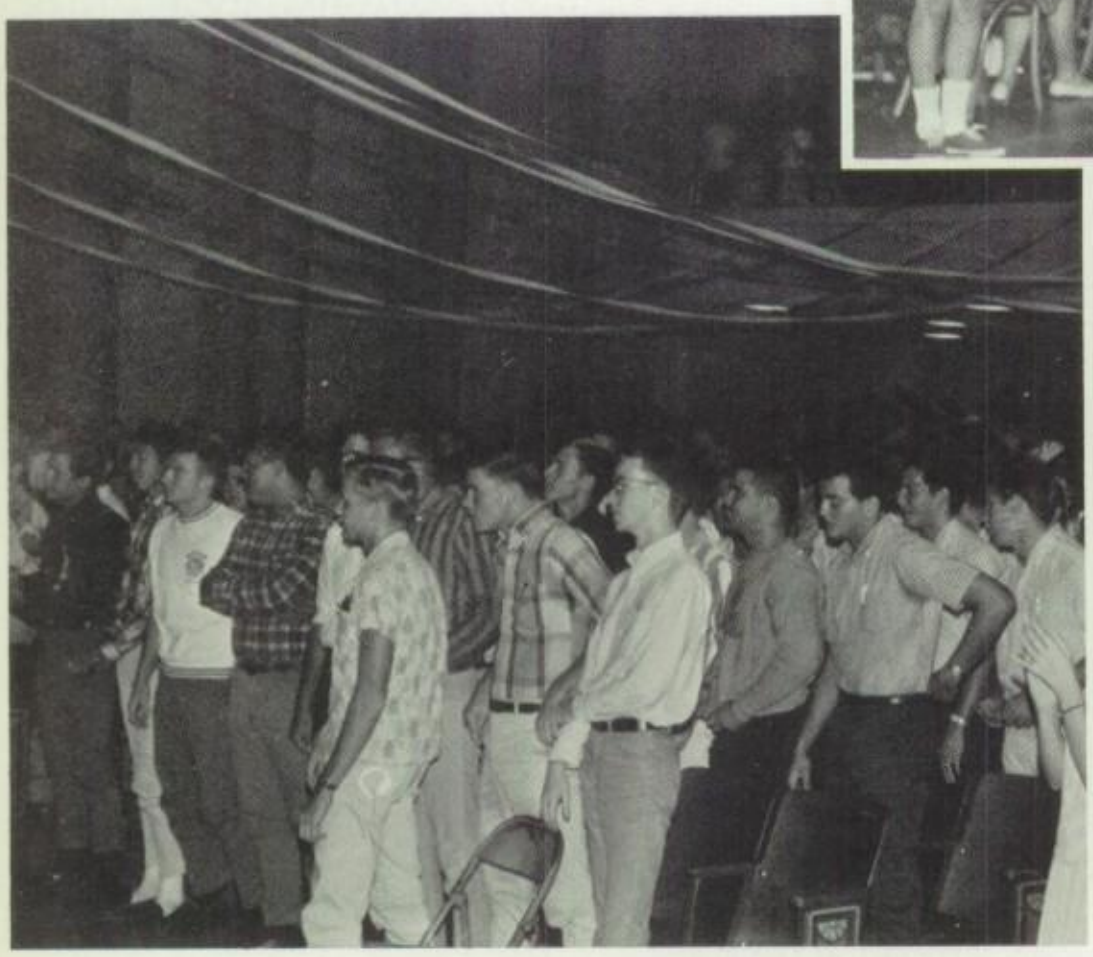
The Cougar had an extra bit of spirit for the Woodrow game.

The cheerleaders honor the football team with a special message to each one.

Cheerleaders Honor the "Hot" Cougars

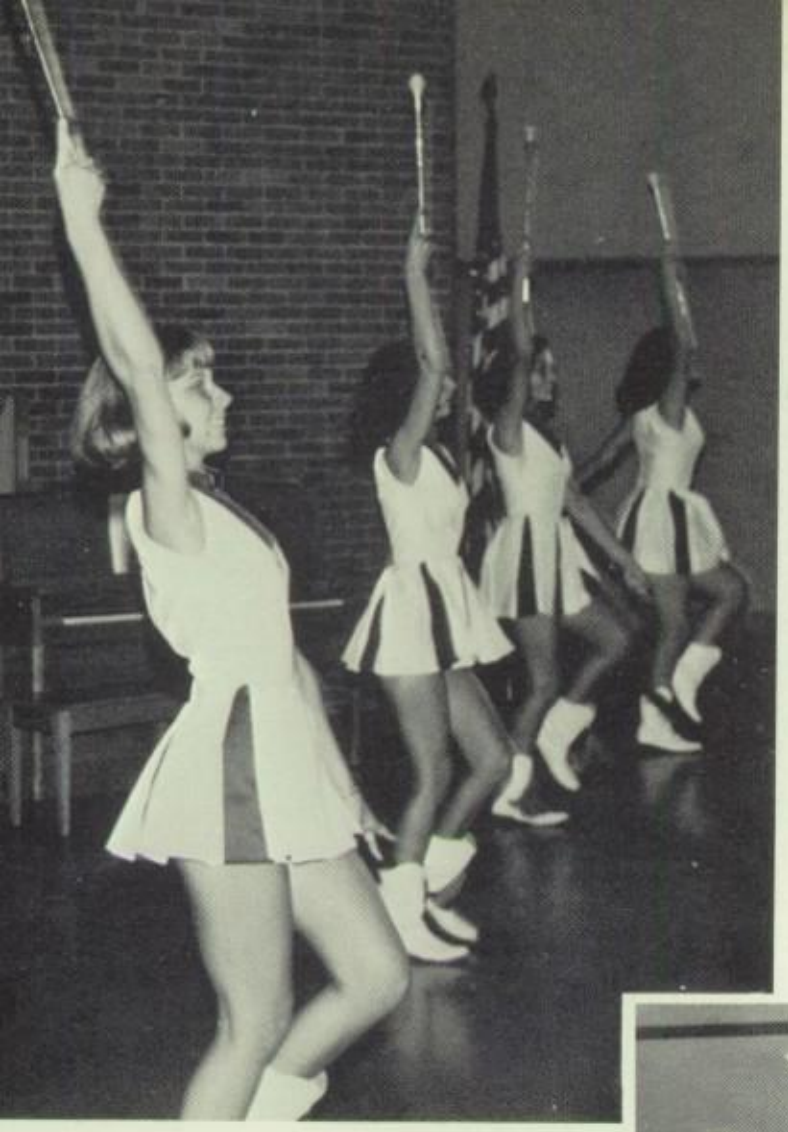
In the Woodrow Assembly, October 8, the Belles marched, the Homecoming Queen nominees were introduced, but the highlight was a singing skit by the '65-'66 Bryan Adams Cheerleaders.

The nominees for 1965 Homecoming Queen.



At one time even the football team cared.

All Right!.



Preview of the upcoming halftime show.

Belles loved to wear their stunning green jumpers every Friday. (How else would people know who they were.)

Spirit was especially high for the White assembly.

Assemblies for the Hillcrest, W. W. Samuel, Thomas Jefferson, White and Spruce games featured spirited yells from the cheerleaders, swinging numbers by the bands, and precision routines by the Belles and majorettes. The highlight of each was the rousing selling of spirit ribbons.

Our flag.

Go! Fight! Cheat if you have to.

The B.A. kick, it's a tradition.

The A.F.S. Honors the Foreign Exchange Students

In honor of the foreign exchange students, Atle Hestness and Miki Igafashe, the American Field Service sponsored a dance held on November 5. The renowned, sought after Kenny and the Kasuals honored us with a guest appearance. All proceeds aided in furthering the exchange student program.

Even Jim and Gail have Soul.

Traditional Japanese folk dance.

The Key Club, known for service, generously volunteered to sell drinks.

What a surprise!

Some were high with thoughts of the upcoming dance.

Victorious Cougars Celebrate Homecoming

And we had a good thing going.

On the night of October 15, Miss Sue Lowrey was crowned the 1965 Homecoming Queen at the annual Bryan Adams homecoming game. The Rafters provided music at the dance held afterwards in her honor. To add to the success of the night, B.A. toppled T.J.

Nominees and their escorts await the final word.

The Kasuals' summer replacements.

N.F.L. Stages Its Own "Hullabalo"

For once it was not at the Studio Club, but at the Disc-A-Cougar that we found ourselves. The Rafters were playing and as expected almost everybody from B.A. turned out. There were music, dancing, and a lot of messing around. We were reminded of some of the best weekends we had ever had.

Mark Bowers steals the show.

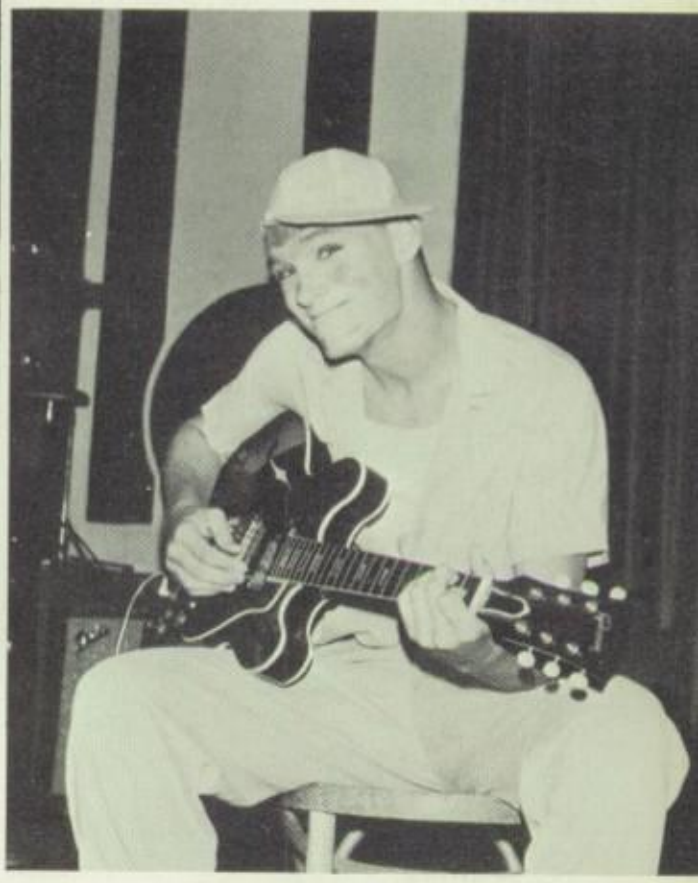
(Doug Peters and Roy Sheffield)



The audience was caught up in the spirit of the show.

Of course there were Go-Go Girls. (Kathy Saunders)

And finally everyone got in on the action.

Pam Rondel, escorted by Bryan Renfro, was crowned Sweetheart.

A dance was held in honor of the winners.

Coronation Highlights Christmas Season

The Grand March opened the festivities

The Winner's Circle

On the night of December 17, the annual Sweet heart Coronation was held in the Bryan Adams auditorium. The program consisted of the pres entation of each candidate, and the crowning o the Duchess, the Princess, and the Sweetheart followed by a solo, sung by Mike Dyer. The Grand March preceded a dance where The Five of A Kind provided music.

Cothurnus Club:
Variety Theater Scores With Three Hits

Even Grannie fell for Frankie.

Variety Theater, the main project of the Cothurnus Club, this year consisted of "Slaughter in Suburbia", "Lost Flight" and "Rockabye Charlie". The three one-act plays were ably directed by Mrs. Walls, Mrs. Braden and Mrs. Materka.

P.T.A. Hosts a Musical Concert

A concert was held on the morning of January 14. The program consisted of selections derived from traditional music of African and British Isles cultures. Such artists as Brian Wilson, Mick Jagger, and John Lennon have recently taken these traditional patterns to produce new songs. These were the songs performed by the Rafters and Five of A Kind.

The Rafters opened with the classical sound of the Beach Boys, "Barbara Ann".

The concert closed with the harmonic tones of "G-L-O-R-I-A".

The Military in Action

Outside the classroom, cadets may volunteer for a variety of services and receive grade-helping merits in return. Other activities are purely for fun, like the football games with cadets from other schools. A few of the activities Cadets may participate in are: ushering at Cotton Bowl and BA football games, ushering at concerts, best cadet of the week competition, rifle team and the military drill team.

Just as a link in a chain holds the chain together, the Student Council is a link between the students and the officials of the school. The council tries to develop an attitude of practice in good citizenship, to provide a forum for student opinion, and to maintain harmonious relations throughout the school. Its further aims are to obtain high morals in the school, to act as a service organization, to assist in the management of the school, to promote all worthy aims and objectives of the students, and to elevate general welfare.

Angels Incorporated, a home for retarded children, is helped each year by the Bryan Adams Key Club. The annual car wash and the Christmas tree lot are two important projects which help support Angels Incorporated. The Thanksgiving canned food drive is another worthwhile service.

The Key Club parade, where Margene Sharp reigned as queen, is one of several activities which the Key Club participates in. Other activities include selling cokes for various school functions.

The Bryan Adams Key Club consists of Sophomore, Junior and Senior boys. These boys fill out petitions and are screened by the Key Club officers, Kiwanis members, and the Faculty.

Each spring the annual Key Club Convention is held in Texas or Oklahoma. The goal of the convention is to help to build a better understanding of what the Key Club represents.

Achievements in science are topics for discussion at the meetings of the Bryan Adams Science Club. To help students obtain an all-around knowledge of science, speakers from many different universities, industries, and educational centers give lectures at the meetings, which are held every Monday night. Rating high among the activities of this active organization are the field trips to local industries, such as Texas Industries and the Dr. Pepper Laboratories. A weekend bus trip is taken every year to a university in the Southwest.

The most important activity undertaken by this year's Science Club was the Fourth Annual Science Symposium, held at the school on Saturday, March 12. Speaking on artificial hearts, Dr. William Akers of Rice University presented the keynote address. This traditional event attracts science students from all over the state.

Book browsers and serious students owe a debt of gratitude to the Bryan Adams Library Council. These hard-working and helpful students donate one of their study halls each day to work in the library. Their job includes checking books in and out, keeping the books repaired and shelving them in the proper order, and aiding students in finding books and information. The Council treats the school faculty to a Valentine coffee each year. Another of their activities is a trip to the downtown branch of the Dallas Public Library, where council members learn much about the policies and management of a library.

Honor Roll Students Enlightened on History

First charter club established at Bryan Adams, the Historical Society is an honor organization established on the basis that membership consists only of Juniors and Seniors who maintain an honor roll status. These members are, through the society's efforts, enlightened on interesting historical facts.

Yearly projects consist of presenting Thanksgiving food baskets to a needy family; co-sponsoring the Thanksgiving assembly; giving a Christmas party complete with food, toys and clothes presented by Santa Claus to an underprivileged family of children; and sponsoring the assembly during Texas Public Education Week.

On doing so, the society hopes to make its members better citizens and to make them appreciate the experiences of the people who have had vital roles in the development of history.

Classroom cartoonists, study hall paper clip sculptors, as well as serious students of the nobler phases of the arts find an outlet for their individual talents in the Art in Action meetings.

The span of their activities is wide indeed. Visits are made to art museums, the Theater Center, McShan's Florist, and the Contemporary House. As a Christmas project members made puppets for the crippled children at Parkland Hospital.

Individuality is an outstanding characteristic of the members of the National Forensic League, a national honor society for speech students. This individuality is developed on numerous out-of-town trips to speech tournaments. Top N.F.L. members earn the right to participate in nationally significant events such as the Student Congress and National Speech Tournament. Over sixty schools from three states are represented at the Bryan Adams Invitational Tournament which is held at the school each year. Contestants participate in events such as poetry and prose interpretation, extemporaneous speaking, and duet acting. Trophies are presented to the first and second place winners in each event and the school scoring the highest number of points is presented with the Sweepstakes Trophy. These tournaments are well worth the work involved as they are enjoyed by the members as well as all who come. The most important aspect of the N.F.L. is its ability to encourage corrective thinking among its members.

Burgundy blazers and pastel pink dresses are the attractive apparel of the Concert Choir. During the year, this group exhibits their talent in various programs which include an inspiring Thanksgiving program, a touching Christmas program, ending the day before the holidays singing carols in the halls, and an enjoyable Spring Concert. The graduation class is entertained by the choir at the Baccalaureate and Graduation exercises.

They entertain the veterans at the Veterans Hospital and club members of various clubs.

To be eligible one must be a member of one of the chorus classes for one semester. For tryouts, it is required to sing a song of one's own choice. The entire music department puts on the musical which was "Brigadoon" this year.

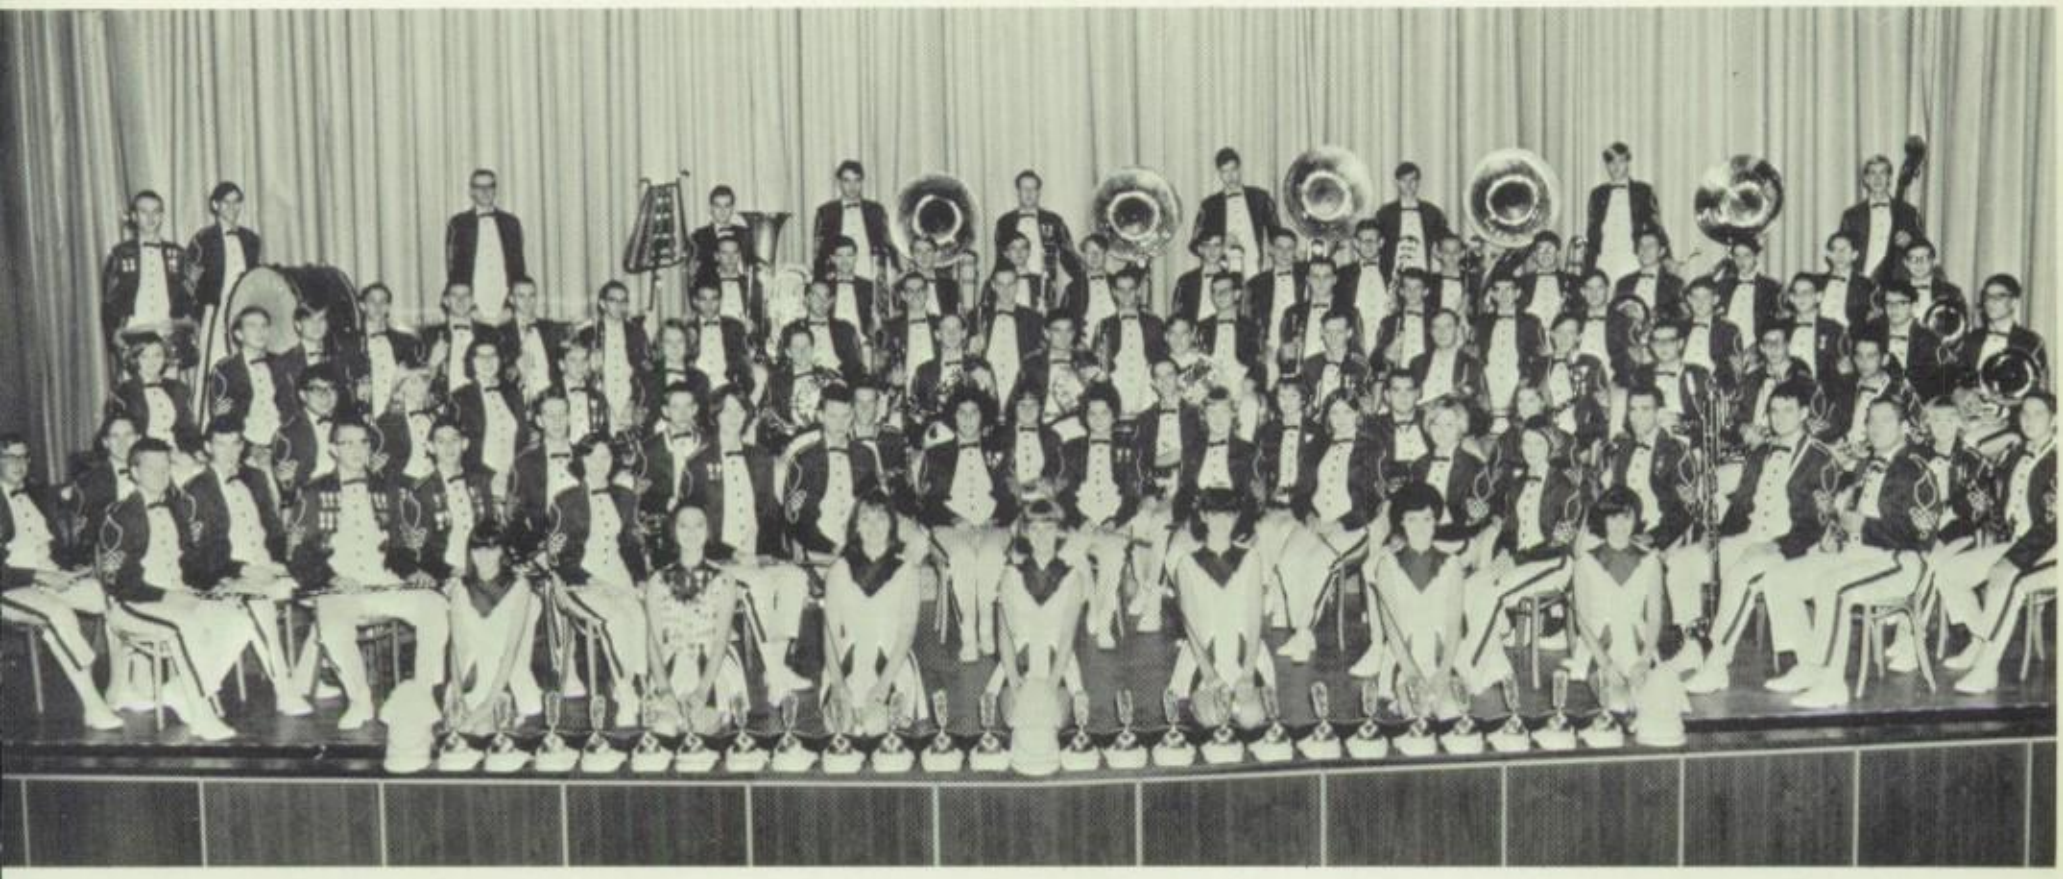
The Cougar Bands



White Band

The Bryan Adams White (first) Band is one of the best in Texas. It is known for its consistent high level of performance. The main interest of many of its approximately ninety members is music. Some will continue music as a profession, while others will use it as an avocation or for recreation.

The Green (second) Band is capable of quality performance comparable to many high school bands. Most of the students in the band program spend time in the Green Band. It offers the opportunity for these student musicians to become skilled and able to compete for a place in the White Band.

Bryan Adams has two fine bands we can all be proud of.

Band Brings Fame to Bryan Adams

Glen Drake
Member of All-State Band

At half-time Bryan Adams proudly presented the Green and White Marching Bands who displayed great skill while marching with exact rhythm in their precision drills. Their formations included "BA" and the treble clef. In keeping up with the modern musical craves, they thrilled the Beatle fans with the swinging beat of "I Want to Hold Your Hand". Even the parents in the crowds were seen tapping their feet to the tunes of "Downtown" and "The Girl From Ipenema."

Not only do the band members perform for fun, but also in city-wide contests. The contestants from Bryan Adams brought back many honors to our school.

Officers of the group are the least DRAMATIC members.

"Speak the speech, I pray you, trippingly on the tongue as I have pronounced it to you."

This quotation is applicable to the aspiring, club members as they strive to please Bryan Adams' audiences with dramatic productions. These acting experiences offer opportunities for broadening insight into human life and for recreational activity to each of the selected membership. The club's activities include Variety Theatre, the Interscholastic League one act play entry, and assembly programs. This organization serves to encourage remarkable talent, to give full background of the theatre to students, to act as a producing agent for Bryan Adams, and to give pleasure to those who watch as well as those who perform.

Looking Behind the Scene

"Checkmate" is one of the words heard every morning when a group of Bryan Adams students get together and play chess. Tournaments are held every Thursday within the school. Every weekend club members compete with other schools. Lessons are given to those interested. Members who really enjoy chess spend their lunch time playing a game or two among other members.

Club Promotes International Friendships

The American Field Service is our high school club organized specifically to aid the students brought to the U.S. by the international group of that name. Club members help these visitors adapt to our way of life while learning the many things these students offer us. Their activities include arranging opportunities for others to meet Atle and Mikie, as well as other Dallas area exchange students and raising funds to pay passage here for next year's students.

This year the Sponsors were Mrs. Cohen and Mr. Cheney, the representative to an adult chapter of A.F.S.

Spring officers plan fund-raising campaign to bring students here nex year.

Mikie Igarashi, who stays with Sherry Strickland, comes to us from Japan. Mikie likes American food and her new Texas accent. Before coming to the United States Mikie did not date; but since it is the practice here, she had her first dates. She participated in football games and of this she says, "It was all so exciting!" Mikie has taught each who knew her a little about the traditions of another world in the East.

Exchange Students Create New Understanding

Atle Hestnes, a student from Trondhein, Norway, is living with Wesley Mourer. Asked what he likes best in America Atle answers, "Girls!" and he knows quite a few. He also likes our climate although it does not allow him to practice his favorite sport, skiing. School here is easier for him. In Norway, for example, he mastered five languages instead of the one required here. Through Atle each of us has come to know and understand a liberal culture in the West.

Ambitious Youths Aid Others

"Service for others", the motto of the Red Cross, ably outlines the club's goals. This altruistic club's activities include contributing to the National Children's Fund and giving a birthday party for Woodlawn Hospital patients. At Christmas time the Red Cross is busy entertaining for the Veterans Hospital, and sending friendship kits to the War Orphans in Viet Nam. Easter finds this active organization delivering Easter lilies to Woodlawn Hospital. The Red Cross finances these worthwhile projects by a fund raising drive held during November.

Working to create a better community, the Bryan Adams Y-Teens is an all-girl service club which is affiliated with the Y.W.C.A. This world-wide organization is concerned with serving others in far-away nations as well as in their own country and their own community. In addition to the satisfaction of knowing that they are helping people, the Y-Teens have plenty of opportunities for fun, such as the city-wide slumber party held in February. This year the members are working with the Children's Medical Center and are sponsoring an underprivileged child at Christmas. Funds for these activities are raised at bake sales. At the bi-weekly meetings, the members hear speakers whose topics are aimed at improving each member and helping to make her a better citizen.

Firmly convinced that the Bears are the best, the members of Bryan Adams Future Baylor Bears Club strive to show the rest of B.A. that they are right. Attending sports events of Baylor is a favorite activity of the club, and alumni of the university frequently speak at the meetings. For undecided students who are not sure which college is best for them, these trips and speakers are especially helpful as they give them a chance to learn all the facts and get a true picture of the school. The club also provides a meeting place for the members to discuss their common interest, to go to Baylor University, and their common goal, to be a Baylor Bear!

Making plans for a college life at Texas A&M several Bryan Adams boys learn the do's don'ts they will be faced with when they enter A&M. The purpose of the club is to promote spirit in all the activities of Texas A&M. This goal and several others are attained by attendance at A&M athletic contests with the other school clubs. They also invite people who are connected with the college. These people speak on various subjects about Texas A&M.

As the high school years shorten, many students make early plans for college. It is the goal of the Future Mustangs to broaden the students' knowledge of Southern Methodist University. Through their meetings, this club strengthens the college hopeful's general understanding of the complex life of a college student. During the year, they attend various athletic events and take a tour of the campus.

"Hook 'em horns" is the familiar cry from every Future Longhorn's member. Future Longhorns was organized for students interested in attending the University of Texas. The club helps the members to gain useful information about the university by having alumni from the university speak at various meetings. The Future Longhorns also helps the members to become familiar with college life.

The Future Longhorns is an active organization. The Longhorns participates in various football games with other college clubs. At the end of the year the club has a picnic with these college clubs.

Promoting interest in Texas Tech is the main goal of the Future Red Raiders. Members learn interesting information concerning entrance requirements to Texas Tech, campus life and various activities. The club has several activities throughout the year. Some of these are a football game against the Future Longhorns, a picnic in the spring, and a trip to the Tech-S.M.U. basketball game. The programs at the meetings varied from a discussion about sororities, and fraternities to a special showing of a film about campus life at Tech.

Future Homemakers of America

Girls Learn Skills o

Mary Ann Hurt welcomes F.H.A.—Exes Mary O'Dell and Cheryl McDonald and Sponsors, Mrs. Margaret Rucker and Mrs. Linda Hair to the annual installation banquet.

The Future Homemakers of America is organized to promote interest in home economics. The individual girl is encouraged to develop skills and abilities related to all areas of home and community life. Through a wide variety of activities such as programs, projects, social events, conventions, and degree work each girl broadens her knowledge, develops leadership, and meets many new friends. Each member is encouraged to involve her family in all of her chapter activities so they may develop a better understanding of her interests. F.H.A. helps every girl to "face the future with warm courage and high hopes."

Fall degree candidates were honored by a tea. Junior Degree candidates are Betty Baron and Charla Osborne. Chapter Degree candidates are Enid Meadows, Jana Dee Muller, and Alvona Garvin. Chapter Mother, Mrs. Edith Garvin was present to welcome members.

Promoting international goodwill was emphasized in the October program. Sandra Hagan greets Ingrid Reis of Germany.

E.T. Activities Interest College-Bound Cougars

East Texas State University is one of the fastest growing schools in Texas. A large number of its students are Bryan Adams graduates, and each year more Cougars become ETSU Lions. The Future East Texas Lions work enthusiastically to interest more students in attending E.T. and to acquaint them with the campus, activities and courses offered there. They also seek to increase their own knowledge of what college life is really like through discussions and lectures from students and alumni of the school.

Serving as a stepping stone to a journalistic career, Quill and Scroll is a national honor society for high school students who excel in some field of journalism The members are chosen from the El Conquistador, Cougar Chronicle, Senior Pub and Harvest staffs. This active organization gives students a change to exchange ideas and increase their interest in journalism. Each year the Bryan Adams chapter decides on a project that will help the school and increase the member's knowledge of journalism.

The Bryan Adams William T. Tardy Chapter was named in honor of Mr. Tardy, a teacher at B.A. who willingly and generously gave of his time to help organize the club.

So that the little things will not be forgotten, senior memories are recorded in the Bryan Adams Senior Pub. This humorous, satirical publication aimed at seniors only is written, edited, and published by a staff of seniors. The Pub Council meets daily at sixth period during the spring semester. The Pub Staff, which is under the direction of the Council, meets after school hours. Distributed in early May, the Pub is a collection of satirical stories, jokes and puns concerning the members of the senior class. The Pub Staff tries to include each senior at least twice so that the Pub will be a meaningful remembrance of each person's senior year.

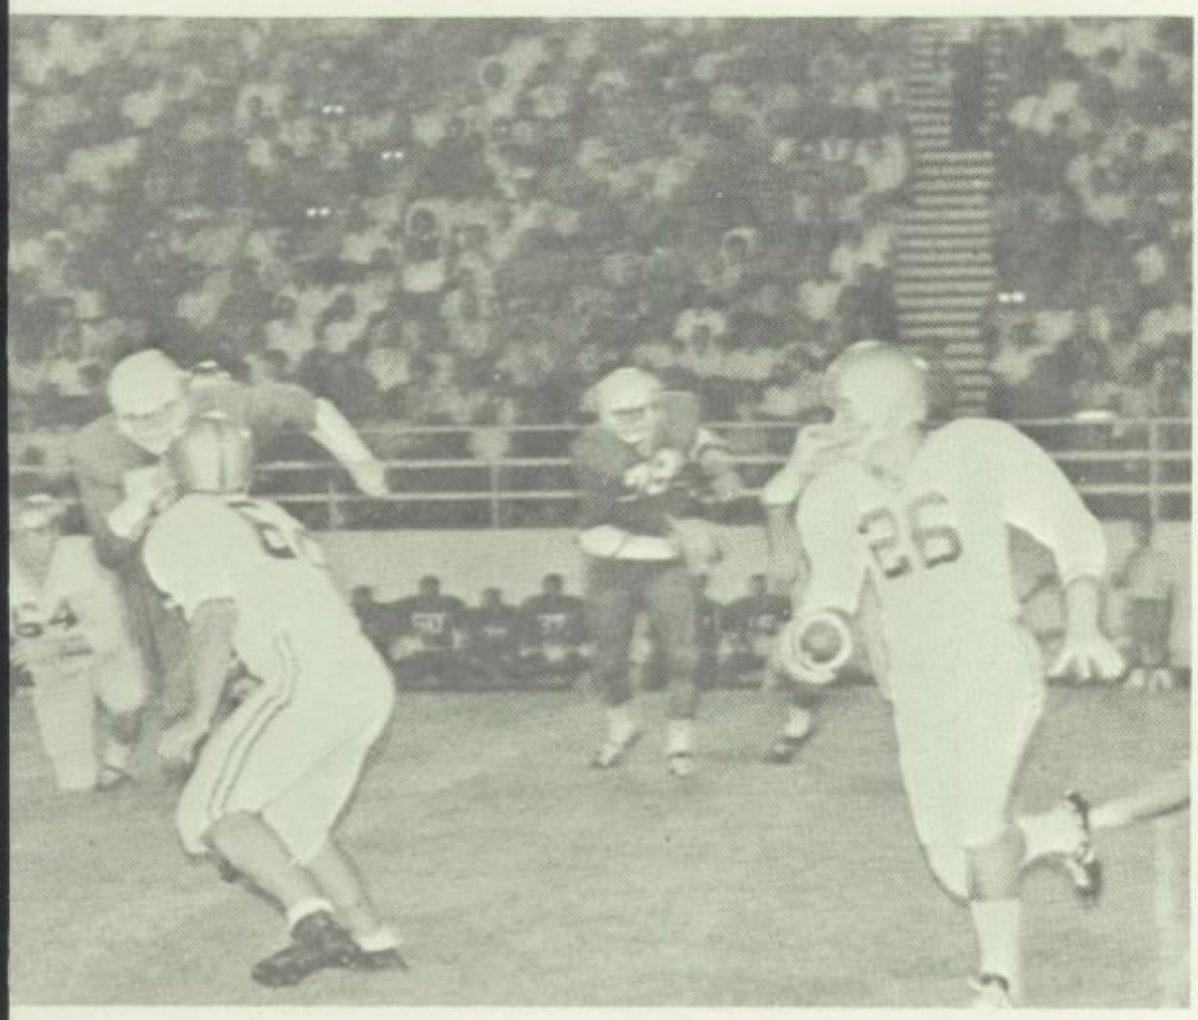
Cougar Combination Dumps Kimball, 20-6



Bruce rolls out as Peden guards the way . . .

In the opening game of the 1965 season, the Cougars chalked up a 20-6 victory over the Knights of Kimball.

Offense: In the fumble-ridden opener, B.A. moved the ball 146 yards on the ground, and 82 yards via the airways for 15 first downs, and 3 touchdowns.

Defense: The Cougars held the Knights to only 1 first down the first half, and 5 the whole evening, forcing them to punt on 6 occasions.

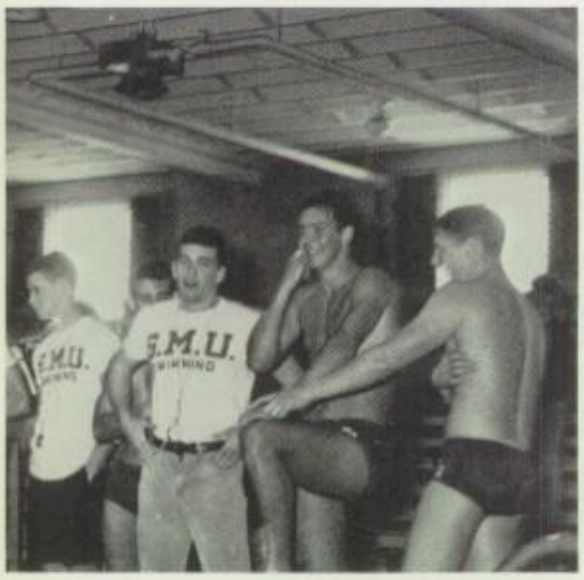
Coach Kasten plans his strategy

March 3, 1966 brought to a close the second successful season of the Bryan Adams Swim Team. Successful not necessarily in terms of wins and losses, but in the definite advancement swimming has made in becoming a more popular sport.

This year's team, led by Captain Danny Heers and co-captain Doug Peters, consisted of 18 swimmers and two divers, who worked together to represent B.A. at all city meets.

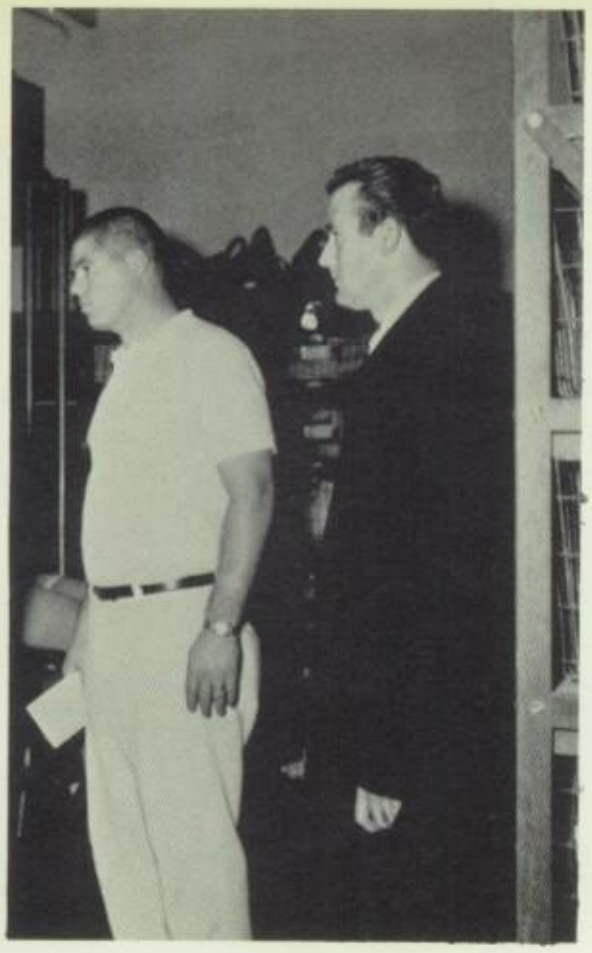
Enthusiasm is the key!

It's just not worth it!



Is it that funny?

Well, here goes nothing!



Beauty and the beast

Nice catch, Dennis!

No comment!

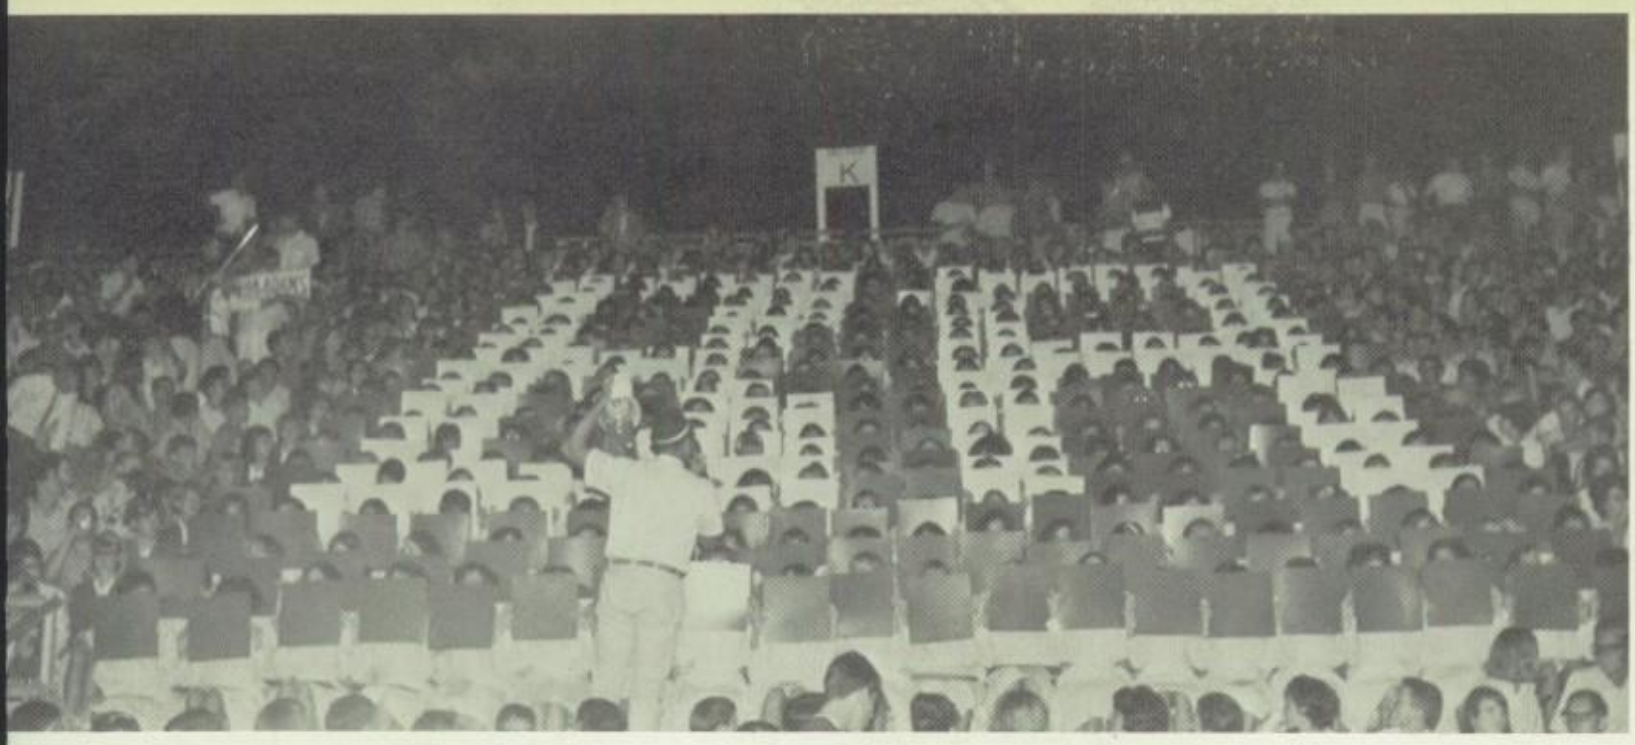
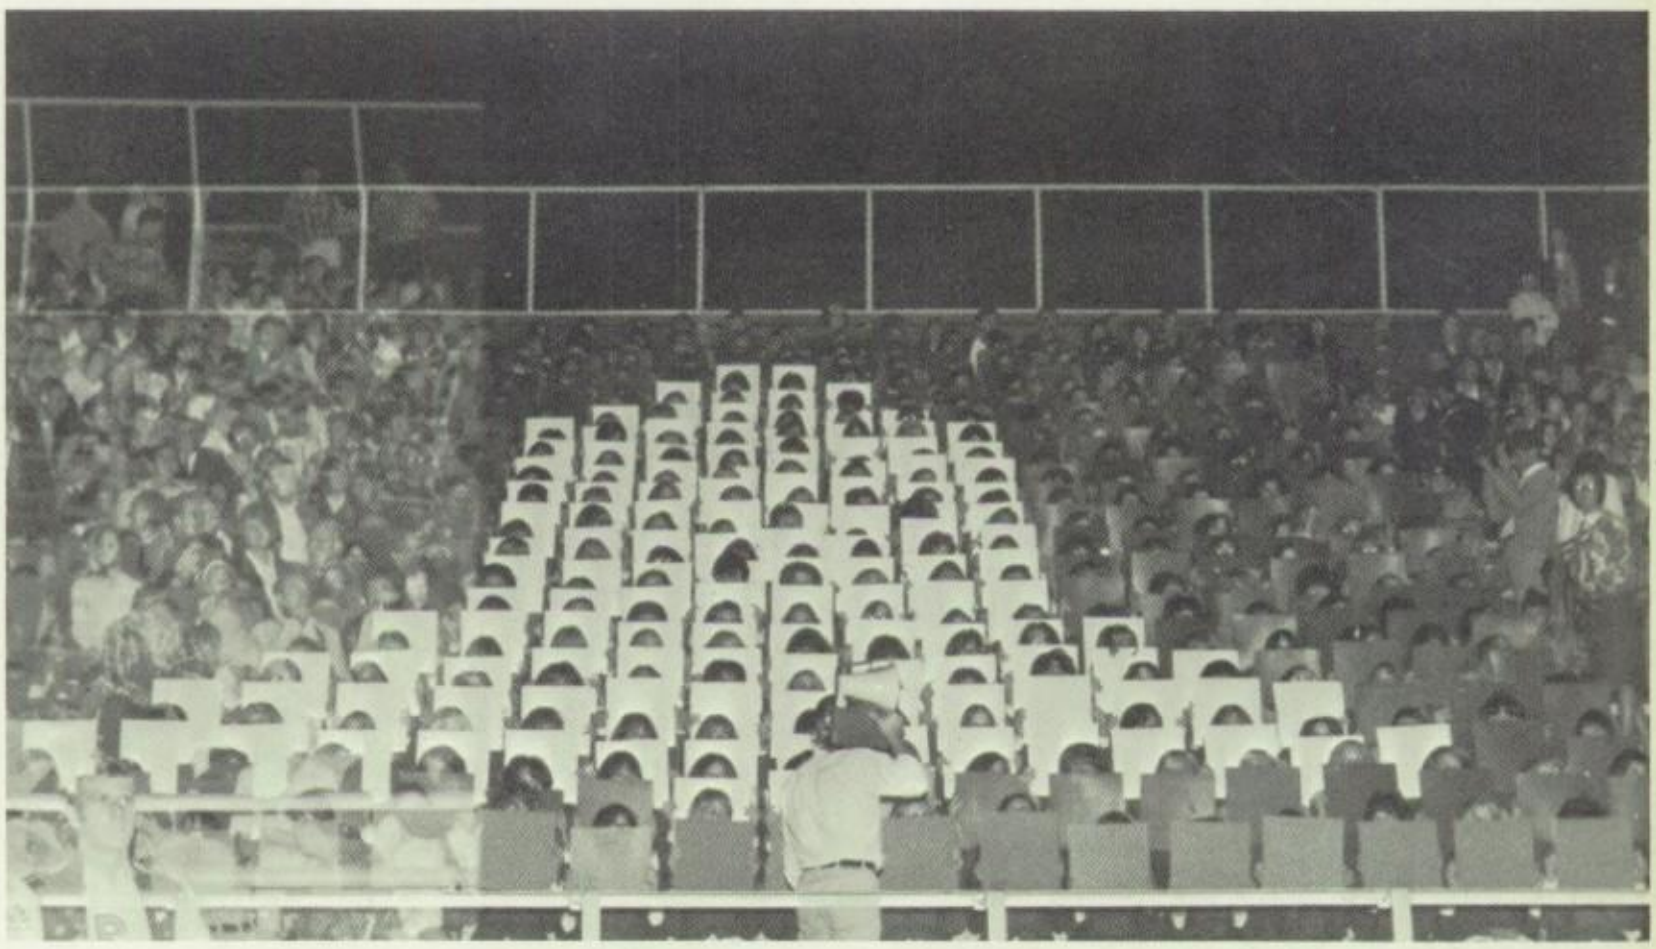
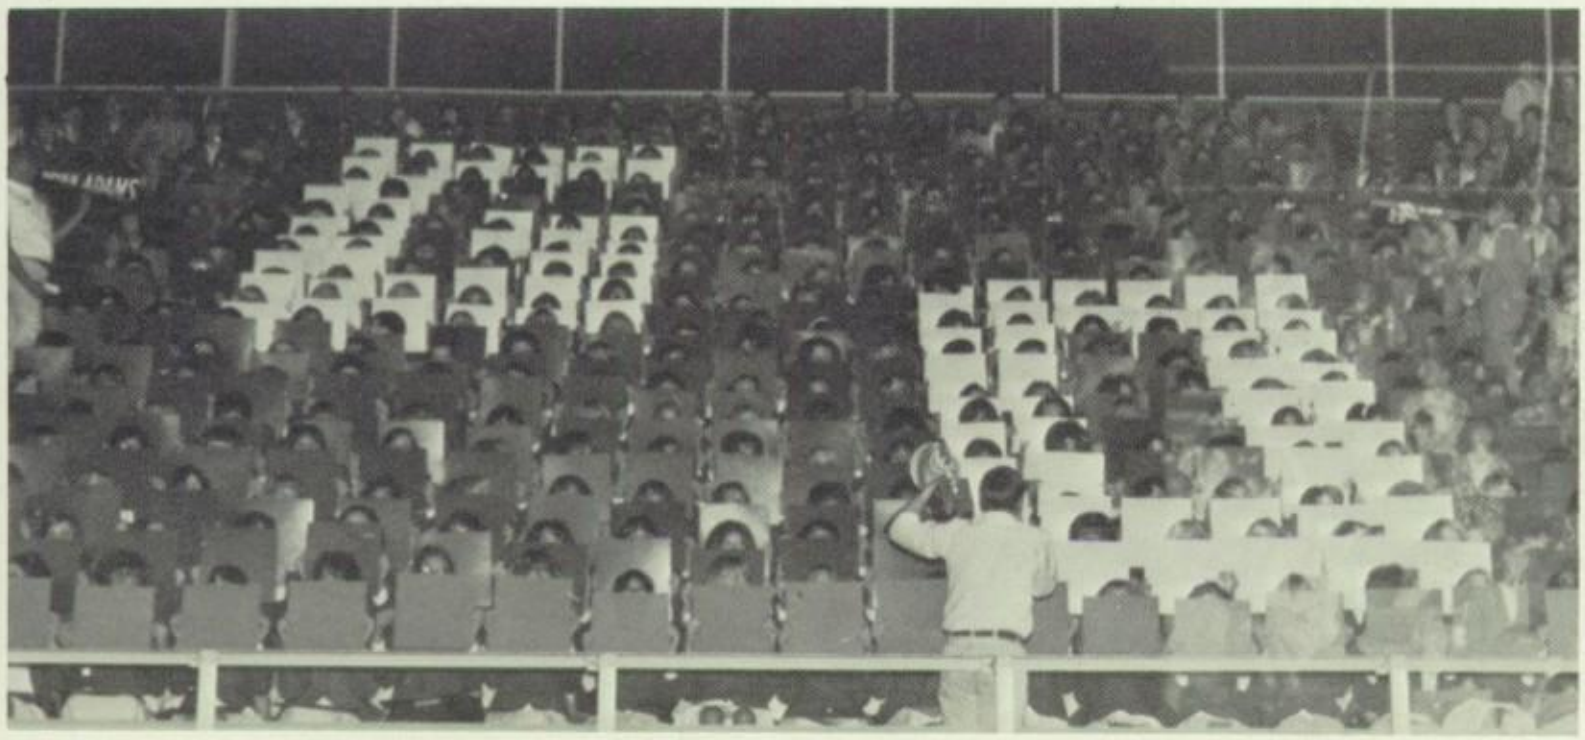
Happiness is a football stadium filled with laughing, cheering, Bryan Adams Spirits. This organization, the largest at Bryan Adams, was established to promote school spirit while at the same time providing every girl with opportunity for enjoyment through an extra-curricular activity. Each fall the Spirits deck themselves proudly in their school colors and become the faithful supporters of the football team. The school spirit of Bryan Adams is stimulated by the peppy cheers of the peppy Bryan Adams Spirits.



The Spirits' well known card section displays its talents.



Spirits honor the Bryan Adams Belles.



The Spirits urge the Cougars on to another victory!

In every great school there exists an atmosphere of loyalty and spirit in the student body. All the Cougar teams have experienced many trying seasons this year. Without the cheering voice of Sonny—the amusing mistakes of Linda—the piercing whistles from Curt—the bubbling vivaciousness of Vicki—the overwhelming enthusiasm of Bubba—the rousing pleas from Ellen—the encouraging stunts of Mike—the leading ability of Mary—and the clawing Cougar Paw of Diane—the student body could never have developed such a steadfast feeling of spirit and loyalty for the striving Cougar teams.

In Memory of
Linda Phillips

Linda's warm smile, her gift of quick, friendly laughter, and her enthusiasm for life remain in the thoughts of those who knew and loved her. She was gentle, kind and always anxious to lend a helping hand. Remembering her will long be a source of many fond memories.

"Welcome, to the 'Metrecal for lunch bunch'."
(Debbie Noland)

B.A. Is Evaluated

"We'll be glad when this is over so we can have our cookies and Coke in the office again."

During the past year, Bryan Adams has been preparing for an evaluation of the school. Beginning April 18, teachers, professors, and administrators from all over the country audited classes and talked to students and faculty to evaluate the effectiveness of our educational methods at B.A. For three days everyone was a little bit nervous as these "guests" visited in the lunchroom and classrooms and roamed the halls waiting for something to happen. But we survived the ordeal.

Girls work hard to get the school ready.

I wonder if all of this is necessary?

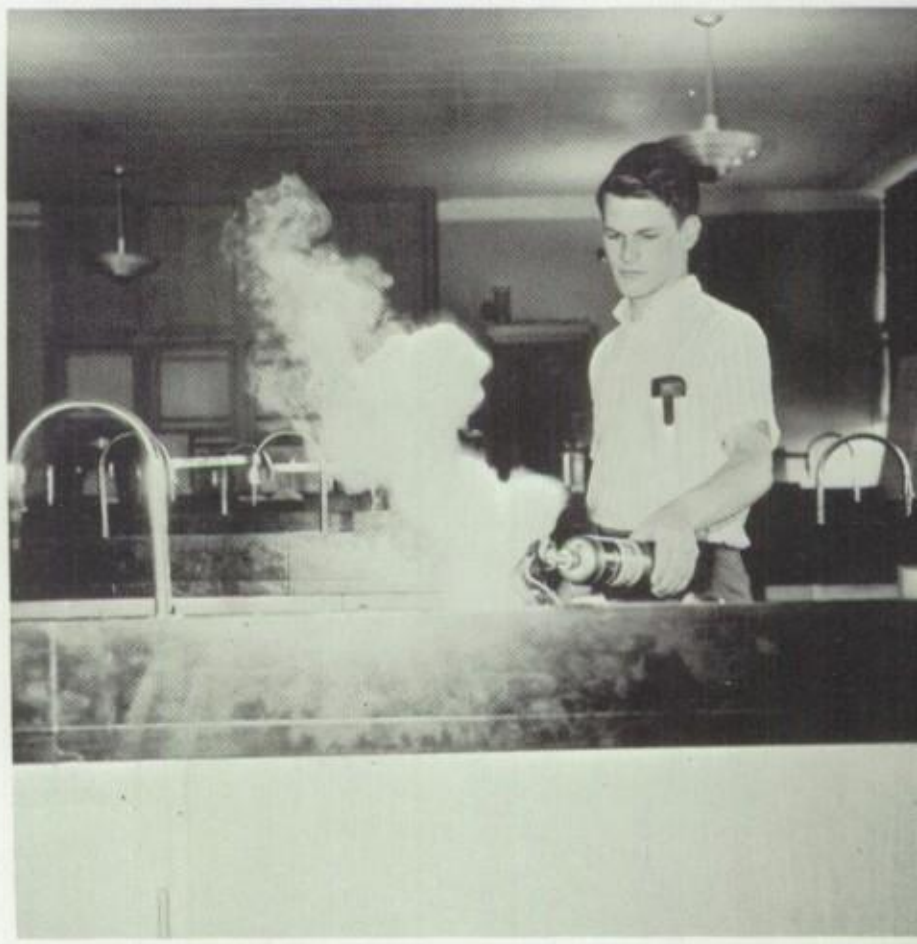
"El Conquistador" Salutes —

Chosen on the basis of ability and original thinking, these students represent some of the best of Bryan Adams. Faculty members nominated the following for special recognition. We salute:

DON CASTLEBERRY: With outstanding ability in both math and science, Don has received a scholarship to Rice University. Don has served as president of the Science Club and a lab assistant. He also belongs to the Key Club, National Honor Society, and the Mu Alpha Theta. This fall Don attended the National Youth Conference on the Atom in Chicago. The National Science Foundation awarded him a scholarship for summer work at SMU. His remarkable ability and humility have made Bryan Adams proud of Don.

MARIE BRYAN: Marie is planning to be a research biologist. She in the advanced biology class and does research on her own. Sh is a three year member of the Science Club and has won man honors. Marie, who was also nominated by the Social Studies depar ment, is truly an outstanding student in all her subjects.

SAM WHITE: Sam has done especially outstanding work in architectural drafting. His work is careful, correct, and original. Sam is a dependable, energetic young man who merits respect from all his acquaintances. He is also an outstanding athlete; Sam was a starter on the Cougar basketball team.

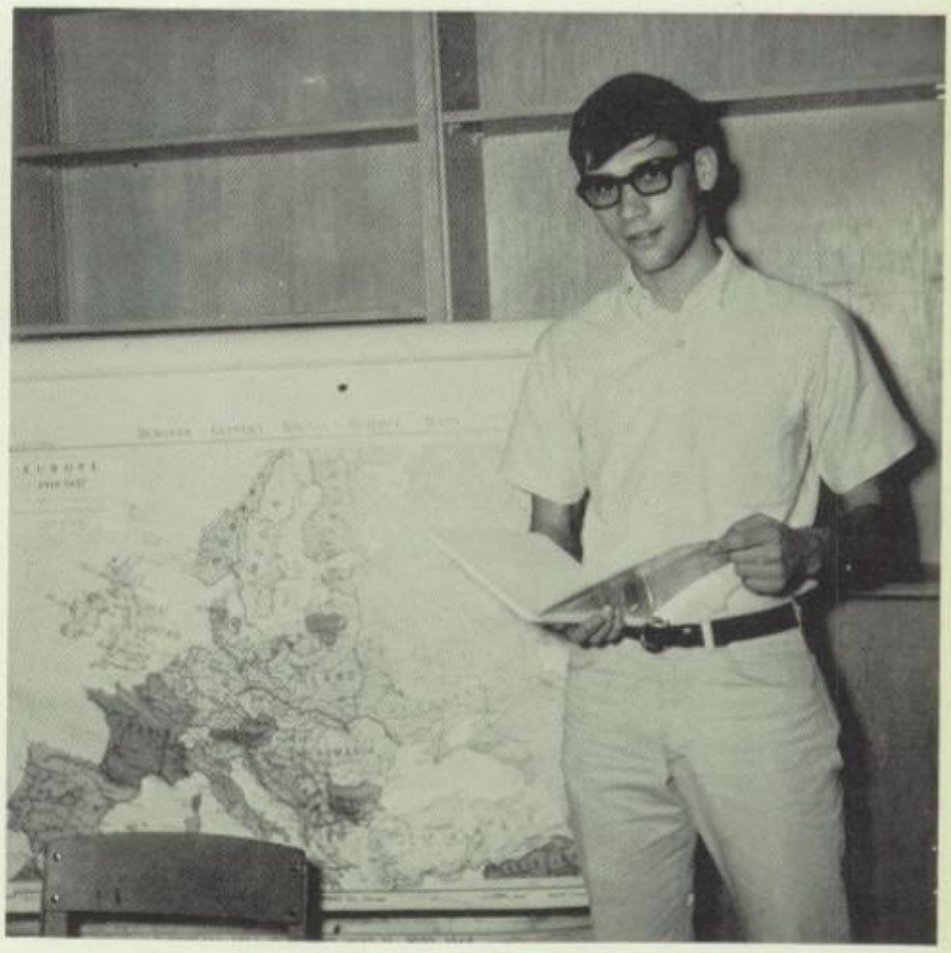


MIKE LEDDY: Mike is a three year member of the Science Club and presently taking advanced chemistry. He is now engaged in a r search project on metabolism. Mike has spent many hours this ye as a chemistry lab assistant. JCTC is an organization that is ab headed by Mike.

JIM ST. JOHN: Jim is president of "Les Elites" and has studied French for four years. His interest in foreign language has done much to encourage other students. Jim, a nominee for West Point, is planning a career with the Army Special Forces. He is now Executive Officer of the Cadet Corps.

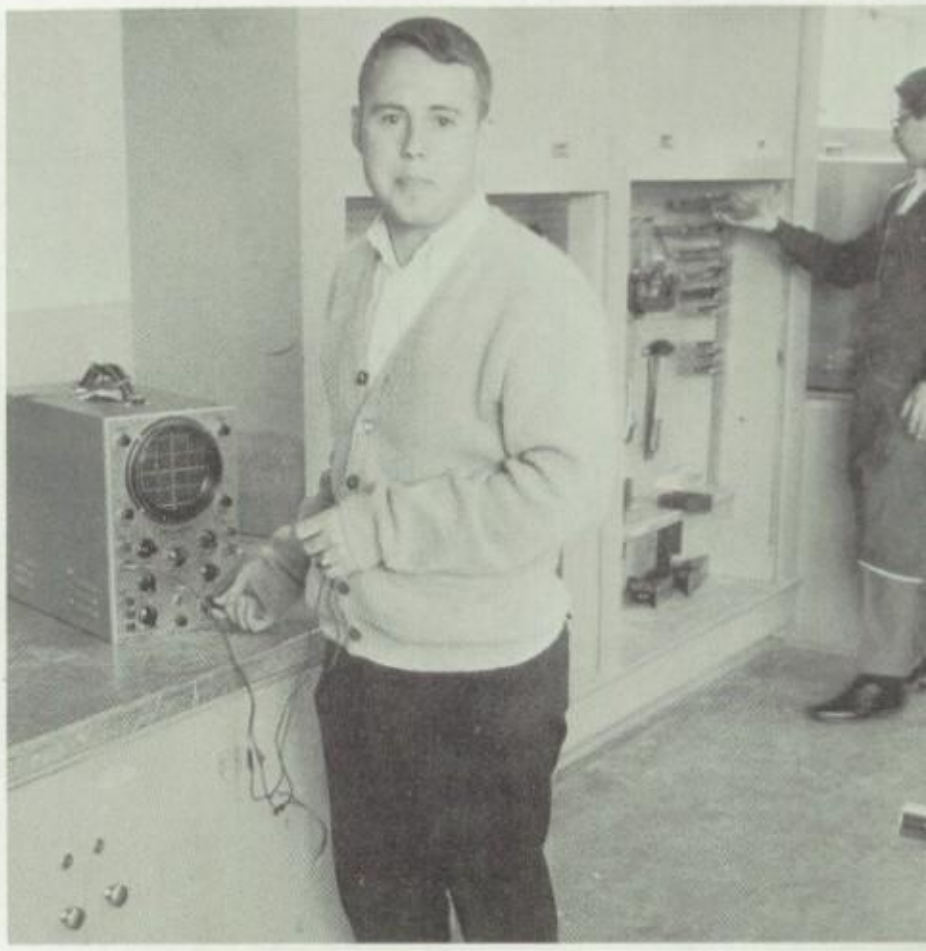
CAROL CALDWELL: Carol has completed five years of Latin with a straight "A" average. She is a thorough and willing worker who has proved to be an able leader. Carol has served as Consul or president of the Latin Club. These attributes, coupled with her pleasant manner and sincerity, make her one of Bryan Adams' outstanding students.

AROL CHILDRESS: Carol cheerfully and capably does any service e may be called upon to perform. She has that invaluable ability laugh and smile, no matter what Herculean task she is confronted th. For this reason, we give her our full admiration.



BOB CHEREK: Bob is a real leader in all his school activities. His amiable disposition and dependability have made him a favorite with students and a delight to teachers. He has shown exceptional interest in the social sciences.

RICHARD FAUGHN: Richard is a three year art student and has done particularly good work in silk screen painting, sculpture, and batik. His work has been shown at the University of Dallas' High School Contest and Crafts Fair. He has earned a scholarship to SMU to study art. A summer scholarship has been awarded him to study silk screen printing at the University of Texas.



DAVID HEALY: Although Dave is a good all around student, he ha done exceptional work in industrial arts. He is now thinking abou a career in electrical engineering. David is planning to work at Texa Instruments this summer. He has demonstrated unusual maturity an a fine sense of responsibility in his class work.

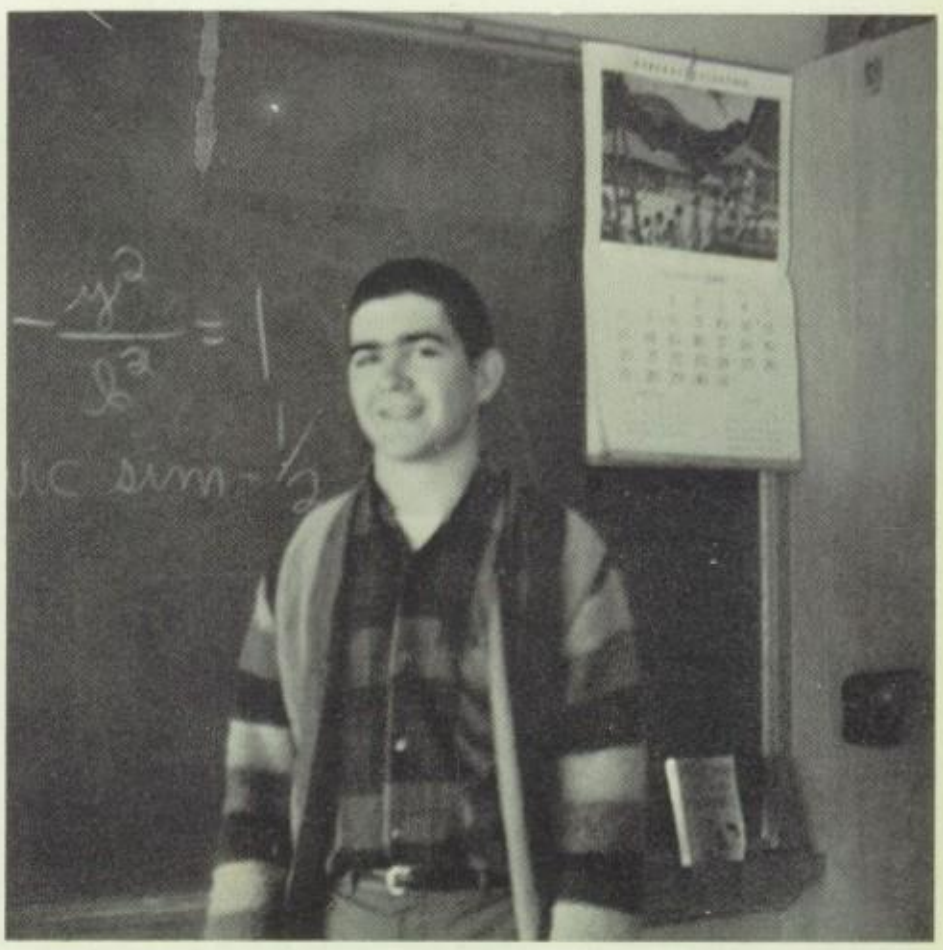
CASSIE DUSEK: Cassie is the type of student who makes Distributive Education a worthwhile program. She makes all A's in her school-work while doing an excellent job working at Vic Maden's Jeweler's. Her punctuality and personality rank her among the top Bryan Adams' students.

MARY SIMS: Mary has shown outstanding work in organizing an leading the Future Homemakers of America. She is active in Youth For Christ, American Field Service, and church activities. This vivacious friendly personality is a talented pianist and a licensed beautician.

PAUL CAPEHART: Paul originated, planned and produced the football halftime shows for 1965. As soloist on WRR's Music 'Til Dawn Concert, Best of Kind French Horn at the Dallas Solo and Ensemble Contest, and a member of the All State Orchestra, Paul Capehart is a credit to Bryan Adams.

JO ANN DALE: Jo Ann has a superior talent for creative writing in both prose and poetry. She displays remarkable sensitivity, imagination and humor in her writing. She shows unusual initiative along with her other fine abilites.

CYNTHIA SHELLY: Determination and a desire to learn helped to send Cynthia to Greece in 1965 as a foreign exchange student. An excellent student in history and English, her original thinking, sincerity and an effective command of the English Language have made her an outstanding, conscientious student in every phase of school life.



STEVE WHITE: An excellent student, Steve has been active as Vice-President of the Math Club, assuming the full responsibilities of President at mid-term. He has faithfully participated as a tutor in the Math Clinic and is an avid student in the after school Advanced Math Class.

MEN. ENLIST NOW.

FOR THE COLLEGE INN AT NORTH TEXAS STATE UNIVERSITY

All right, men. Especially you new men. I'm only going to tell you this once. You're going up to this North Texas State. And it's going to be tough. Real tough. You're going to have classes, tests, books. You're going to need a home base. A place where you can noodle it out. Now men, repeat after me: The College Inn has quiet, private and semi-private rooms and baths. Good chow in its own cafeteria. Carpets on the floor. Maid service. Air conditioning. That's it. Now, you're going to have fun, too. 'Cause there's a big swimming pool. TV lounge. Recreation room with ping-pong and pool tables. Entertainment area. You can stay at this place for as little as $82.50 on their payment plan. And it's only a block from the campus. Okay, men, let's hear it for The College Inn. Dismissed.
